Juniors Leading The Way

As Junior Class President, I've seen the class of "84" grow closer together. Together we've strived to become the best. Our spirit and pride has conquered all. We demonstrated this by taking first in the homecoming competition, making more money in the concession stand than any other class, and by putting on a **fine** prom. Our originality has made us stand out . . .

The Class of "84" is unique, and different in its own way. Friends now, and forever we shall be.

On behalf of the Junior Class I'd like to thank Mr. Joe Torres, and Miss Smith for their help and support. Also I'd like to thank the class officers who did a great job. Thanks to those Juniors who helped out in class activities. A very special thanks to J.C. for being right beside me, and to my sis D.J. for being there too.

Senior Class Of 83 Going Out In Style

The class of '83' is very unique in its own way. We've had our ups and downs through our high school days, but we're still built as one. Our class has always been smaller than others, but that's what makes us special. All Seniors from '83' put their two cents worth in to help in athletics or scholastic achievements. We've always been close with one another and hopefully it will stay that way as we go out into the real world. We, the class of '83', would like to give a special thanks to our advisor, Mr. Ball, for all his help. We would like to thank the whole Fillmore High School staff for all their help. Well, GOOD LUCK to all, TAKE CARE.

Exchange Students Feel At Home

Hello Terry! whats up? I hope you had a great year!

my was great and you made part of it. take care forever.

New York

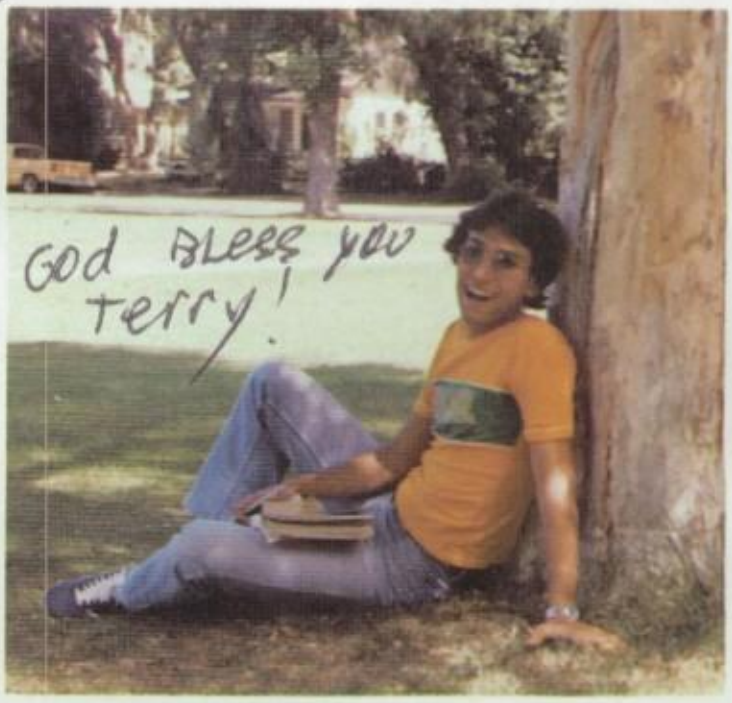
I came to California not knowing quite what to expect. The first impressive sights I saw were the palm trees, the orange trees, and the mountains. Although New York does have Mountains, there isn't a palm tree or orange tree to be found. The view of Ojai Valley from the Mountains was absolutely "fantabulous"! Going to the beach was fun; I liked watching the surfers and jumping the waves. Another highlight of my stay was going to Piru and floating down the river on inner tubes.

There were many adjustments that I had to make; first of all, I was always looking for a new way to stay cool in the hot weather. Also coming from a high school of 4,000 students, Fillmore High School was a big adjustment for me. I really enjoyed being in a small school because it made it easier to get to know people. I was astonished when I first saw the outdoor hallways and water fountains. I always had a good time in the quad at lunch time. I'll have many fond memories of the school's spirited activities; football games, dances, pep rallies, volleyball, lunchtime, etc.

I'd like to thank all my friends in Fillmore, especially Catherine and her family. A special thanks goes to my host family, The Perea's, for making my stay in Fillmore possible. Living in Fillmore was an experience of a life time!

Lovingly,
Kim
(affectionately nicknamed by Kris, Kimba)

Brazil



My name is Luiz Figueiredo and I'm a Brazilian. I have always dreamed of coming to the U.S. and now finally I am fulfilling my dream.

I am staying with the Ryan Family and intend to live here one year. My family has truly been wonderful to me, we've become very close. Heather Ryan and I shared a special friendship when she lived in my home town, Lorrdrina, Brazil.

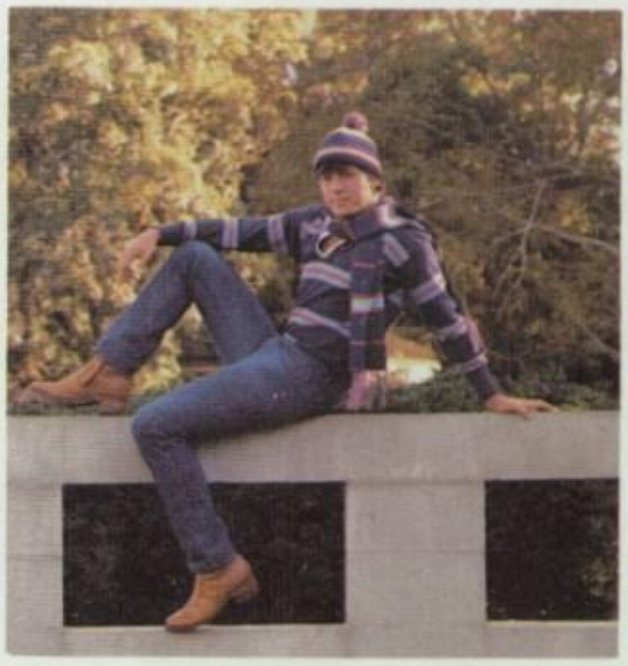
I enjoy the friendly Fillmore atmosphere. The weather has been beautiful, the food strange, however very good, and the people extremely courteous, humored and good looking.

My schooling here in Fillmore has been extremely beneficial to me. It has given me a chance to develop my English as well as create close friends, and participate in various activities that the school has provided. I think the system of schooling here in California not only provides an academic approach but it's a rather lax and free atmosphere where all students spend much time with each other. That I like.

To experience the way of life in an unfamiliar country is a marvelous gift for a young person. We can understand new customs, a different culture and a wide range of other things. I intend to pass on my grand experience to family and friends when I return.

Love, Luiz!

New Zealand



I have been extremely fortunate to experience a year of living abroad, A time that I will truly remember forever. Coming from a city of just over one million people, as you can imagine, I found Fillmore quite a step.

Homesickness set in earlier than I first expected, maybe due to an emotional departure, and the thought of leaving my secure lifestyle. Playing football was the best thing I did. Although the two "hell weeks" and appointments with Mr. Taylor after practice somewhat put me off, I met the bulk of my friends here. Although sometimes I didn't have a clue of where I was running to, it was the great spirit and concern of the guys that helped me through.

School seemed easier than I was used to, but its atmosphere was more casual and enjoyable. My teachers were understanding and always went out of their way to help me.

By the end of the year, I hope to have developed a marvelous understanding of the American lifestyle. I owe a great deal to my host family, the Palmers, and to all the people who have taken interest in me; as it was extremely hard to leave loved ones at home, so too, it will be hard to leave Fillmore and my loved ones made here.

Good luck to each and every one of you.

We're The Best

I, Jimmy Alvarez, leave F.H.S. for my younger brother to start in this place. And a big surprise to the people that thought I wouldn't make it! And thanks to Ms. Crockett for helping me out in tough situations. I also leave F.H.S. with good and BAD memories in the four years I was here. Well anyway, it's finally over. Good luck to the class of "83".

I, Tony Alvary, leave with all the partiers to party and try to get something out of life. Hopefully, a 10 gallon jug of COORS! Good luck to the rest of my classmates: Make the best of life and stay cool. Hope the rest of you get something out of this school, because I DIDN'T.

I, Kathy Arias, leave Filmor Hi thankin' all of the staf four teechin' mee how two spel all muy wurds jus' wright. No, seriously, I did learn a lot these years that I've been in this non-democratic school. I have a lot of people to thank for making me use the brain that I sometimes realize I have. Thanks a lot, Billy G., for making my last two years great ones. I have a lot of friends that I will never forget (Most of the "HIGH" school.) The special friends of mine that I want to thank for having such a good time with me, "THE PIRU PSYCHO SQUAD." Did we get'er girls or what?! Maybe someday we can rent ol' Betsy and jam up to Kennys Grove, spark it up, and decide how we're gonna get back into school without getting any detentions. **THANKS,** to the bright and wonderful ladies in the office for making all this possible!! I leave the teachers with a bit of advise, look out here comes "MISSY". She is the last of the ARIAS' be glad, if there were any more like her there wouldn't be a **FILLMORE HIGH.** Thank you Dave, Dee Dee, Monica, Andy, J.J., Richie, and most of all my little brother, John, for making sure that I made it. Most of all I want to thank my wonderful, beautiful, adorable and loving mother for making sure that I turned out to be the wonderful person that I am. I LOVE YOU, MOM!!

Me, Matt Arnold, not only leave these infamous halls of learning functionally illiterate but also leave knowing that the supraultramegaradical PINE BROTHERS (1980 to present) have left their indelible, irrevocable, inextricable, perpetualm provocative, outspoken, controversial, multifaceted, dominating, uncanny, voluptuos, sybaritic, philanderous, defiant, stupendous, resolute, imperturbable, flawless, rebellious, euphoric, hellacious, nonevanescent, copyrighted, iconoclastic, sarcastic, sardonic, enigmatic, unprecedented, bitchen, knarly, highly egotistical and awe-inspiring mark on Fillmore High. I would like to wish fellow PINE BROS. Richard B., Bob Z., Jeff E., Brian M., Pat H., Steve S., Rick C., Karl K., and John G. luck on their never-ending quest for SOMF. I leave all these guys the PINE BROS. Dictionary of slang and nick names as well as our own version of the Atlantiz Rythum Section's "I am so into **me"** (Among other songs we have rewritten). Thanks also to Q.X., Y.W., Z.V., X.V., B.A., B.S., and S.E.X. I leave knowing that the Pine Bros had the most radical, vulgar, and hilarious rooting sections and that we made the upperclassmen forget about the Rutabagas. I'd like to thank the people at the Fillmore Herald for allowing me to write HIGH SCHOOL IN REVIEW these last two years, and I thank Mr. Emrich and Co. for letting me sit, er, play Basketball while I was here. Also, thanks to the LAKERS and DODGERS for winning World Championships in the recent past. To the administration, I leave all of its new-fangled discipline policies. My best wishes go, not only to the Senior Class of 83, but to my sister Lesa, for being the best sister a girl could have. I, Terry Ayala, leave FHS to D.A., for being my best friend when I needed one, through thick and thin, D.B. who I met in my Jr year, and made after school and after FFA meetings so much fun, and to all my other friends (you know who you are). I leave Jeff E. and Brian (NA Ramsloe) in charge of the Fillmore chapter of the PINE BROS while Bob Z. and I start the Westward chapter. I'm sure that we will not soon be forgotten here, but I doubt that future members will be able to live up to the rowdy, radical, insane, (and sometimes vulgar) precedent set by the original members, but I hope they can. Here I am some other dud coming from Arizona, leaving all my tight friends (mainly girls) hoping that it would be the same here — and it was! Like back home all we had was cool buds and hot rocks, but out here you (we) have cool buds and high waves "YEAH". For all you people that go to my home town, Bullhead, take some pride from Fillmore, because old Bullhead is better than no — !!!, and I'll put pride in your town Fillmore, because in old Fillmore there's always more, and I won't forget "the Fill". We've only had "fun times" and ya know what ... my stomach still hurts from laughing so much! I also leave knowing I will have to work extra hard in college to make up for what I didn't learn at F.H.S. But it'll definitely be worth it, right Palmer?!! These past four years have been the best of my life, but heck — I haven't seen nothing yet!!! A big hug and a kiss for everyone who has made me smile at least four times a day and very special thanks to DeeDee, Elise, Lita, Sheila, Mindy, Amie, and Tracy (you're still the ugliest!) I wish D.J. all the luck. God Bless and luv ya! Fillmore High wasn't a total waste because I made some new friends this year and have some ol' **great friends!** I leave a brother and some friends in the Jr., Soph, and Frosh Classes, and all I got to say to them is ha ha I'm out and you're not! God Bless the awesome Class of **"83"**!!! always and forever. P.S. I wish I could give all my friends a photograph of a beautiful sunset that shows my feelings for you all.

I, Patrick Daniel Hackney, being of sound mind, do hereby grant myself departure from Fillmore High School. I would first like to leave my promptness in getting to class on time to all my first period teachers. I would also like to leave my "ball" jersey to be retired. Lastly, I would like to leave all my great leadership abilities to Tom and all others who admire them greatly. I would also like to thank all the Pine Brothers for never having awarded me the coveted "Bronzed" Award. Being the last of four Hackney brothers to go through F.H.S., I'd like to leave behind the famous "Hackney Shuffle".

I, Tim Harwood, leave knowing that the Class of "83" is the closest and best class ever. We have always had a good time when we partied together. I have had my regrets about joining the army because I know I will miss all my friends, and I don't know how it will be after four years. I do know one thing, though, and it's that no matter how many miles separate us nothing can break the bond that makes us one big **AWESOME** UNIT. I've enjoyed everyone's enthusiasm about different things I will miss all of the parties, but so I have to suffer for a while.

I, Teresa Hayton, leave Fillmore High with a lot of good memories. I also leave not quite sure of what lies ahead but knowing that I accomplished a lot these last four years. I leave with the other two trouble makers DC&SR. I know when we go our own ways we'll always remember the good times we had. I leave behind my little brother Jeff with three more years to go, but don't worry, Jeff, it'll go by fast. I want to thank my mom and dad for all their support and encouragement. Without it I couldn't have made it. Good luck to SC, SR, DC, TE, BH, PP, NW, LA, and JM. P.S. You were right again JM. Thanks!!

I, Luis Hernandez, being of sound mind and body, leave Fillmore High School to the underclasses. Hope you have as much fun as I did. I also want to say goodbye to all my friends in my class. I also want to say goodbye to all my teachers who helped me get through all my classes.

I, Jeana Hooper, leave Fillmore High with a smile on my face knowing that I made it through all four years and that I am finally getting out. I leave with good memories and bad, but I hope to leave all of my bad memories behind with Helen Munoz. I know you tried your hardest to get me in trouble, but thanks to my quick thinking it didn't work. I want to leave Garf, my agreements, debates, etc. I know you're going to miss me and my quick-thinking brain & my smart — mouth, but ... oh well! (My cousin will take my place, right Brian? And I have a feeling the other smart- — Jrs. will too!!!) I want to thank my class (the greatest class to ever go through Fillmore High) for making my years in high school some of the best. A special thanks to issme for being such a close friend and for helping me out of jams?! (or was it me who helped you?!!) I also want to thank my parents, because without them I don't know if I ever would have made it. Well ... last but certainly not least, I would like to wish "the class of '83' the best of luck in everything you do." I hope everything goes your way because the best deserve the best! Good luck B.H., K.A., and my youngest cuz K.A. (you're gonna need it!) "Good luck" next year, sista! Hey, iss, we made it; we're finally out for good ... I hope ... oh well ...

I, Steve Hope, leave Fillmore High almost fully satisfied, hoping that my year in Round Ball is a success. I would like to thank Mr. Rodgers for not playing me my Freshman year in Basketball; it made me get more from the years to follow. I wish I could stay for four more years. Good Luck to Dorman, Baldy, Paul Pig, and Mr. Emrich in the basketball year to come-Go for it GUYS! I would like to thank all my friends for being my friends. Good luck Jim R. in the future in whatever you do. Good luck with the BULL. Thanks M.Z., B.C., R.H., G.G., D.D., D.D. for being such good friends. 83! rules forever.

I, Heather Hurst, leave Fillmore High School knowing I've learned a lot academically. But even more than that, I've learned a lot about life in these last four years. I'd like to thank my special family for their love and support, the F.H.S. Faculty, and administration for their guidance, and my friends for the neat times we've shared. We've travelled down the road together for awhile, and although it wasn't always smooth, it was beautiful. Now as we leave on our own little paths, I'm thankful for the memories we've made. I know that the Class of 83 will always have spirit, and I hope that each of you finds the true Spirit for a truly beautiful life. Take care and God bless.

I, Dianna "Dee Dee" Ibarra FHS with all kinds of crazy, happy, and great memories that I will always treasure. I would like to give a very special THANX to my buck-o sista Amie for **all** the laughs and tears we had together and for just being "YOU"!(Swatas forever!!) And also to Becky(BeeBee), and my cuz Mario (#25), and Alphie (my special love) for always being there to listen to all my stupid problems and for being the special people that you were to me ever since I can remember. Thanks MOM for all your support

I, Leslie Rinehart, leave Fillmore High School, the faculty, administration, and underclassmen the honored experience of being able to have worked with someone, such as myself. Here at Fillmore High I have come to understand these primitive ways which were so very unfamiliar to me. I can now discard this plebian way of life and move on up in the world. I feel it is necessary to accredit my friends with both praise and love, for I have gained a lot from them, not as much as they from me, but I understand. Each has left with me a special picture; Becky with her love and our crazy times, Mindy with her GSD, Tracy with her "ring", Elise with her smiles, Sheila with her Northridge romance, and Lolita with her lard c. — . They are a very special part of my life, and I will r. ver forget them, nor all the little people of Fillmore H gh. Now at last I leave you to do something great ith my life.

, I, Martha Rios, leave Fillmore High happy and proud because I did what my late boyfriend Anthony (Mony) Hernandez wanted me to do. I also leave with my friends Cindy T., Lucy G., Nancy G., Maria V., and little Bertha C. I would like to thank my parents and Mr. Lopez for encouraging me to graduate. Also for being there when I lost the person I mostly love. I would like to dedicate this poem to my late boyfriend Mony and the people who knew him. Goodbye and good luck everyone. "I cannot say, and I will not say/That he is dead-He is just away!/With a cheery smile/and a wave of the hand,/He has wandered into an unknown land,/And left us dreaming how very fair/It needs must be./Since he lingers there /So think of him faring on, as dear/In the Love of There/as the Love of Here;/Think of him still as the same, I say:/He is not dead-He is just away!" Love and friendship, Martha Rios

I, Stacy Robertson, leave Fillmore High still wondering how I ever got out of the messes Leanne got me into and knowing that I'll never have to darken these prison doors again. Hang in there Dawn! Now I leave to be with my SWEETHEART Fernie.

I, Alfred "Perro Feo" Ruiz, leave Fillmore High with great pleasure and in a hurry!!! Believe me when I say in a hurry! Only to leave behind **one very special person**! (Dana Phipps) and two fabulous friends Jennifer Long & Heidi Horn. Thanks a whole lot, and may God bless you both! Now that my high school years are over, I've experienced the ups & downs with loved ones and faculty members. I now feel I'm ready for what the outside world has to offer! With that "special someone" around I'll (we'll) conquer any obstacles keeping us from future plans! Last, but not least, I leave with all my brothers/sisters of the mighty class of 1983. I'd like to thank all my friends-"swatas & swatos" the best of luck! Oh, yeah! and to all you "boafas" (Dianna Ibarra & Julie Burt) also!! I wish all of you underclassmen-"Lardie", "Chewy", and Heidi good luck next year as so-called Seniors!!! Just remember brothers/sisters I'm praying you'll find that special someone to make life worth living!! . . . like I have!! God Bless You!! Let's keep in touch after graduation day! Later . . . P.S. I'd like to thank my mom (Ms. Crockett) for helping me thru these last four years of school!! Thanks mom!!! Hope you never forget you son (Alphie) Bye . . .

I, Debbie Sanchez, leave Fillmore High with a lot of good and Bad times. I would like to thank all the teachers that I've had. They've helped me out a lot. I also leave this school with a lot of crazy, but nice, friends. I wish everyone lots of luck for their future. Well, good luck Tammy, Tina, Junior, Jennie Rose, and all my underclassmen friends. I know you'll make it because I did. Make the best out of your last years, or you'll regret it. Just be yourselves, too. May our Good Lord be with all of you always. One more thing, I will always remember is the crazy things I've done with my friends. I will especially remember my nicknames they gave me. Goodbye and keep smiling!

I, Hortencia Sanchez, leave Fillmore High with lots of good memories, as well as bad, looking forward to the future and waiting for my wishes to come true in the new world ahead of me. I also leave wishing the best of luck to some friends I leave behind in their last year in this, sorry to say, boring school. Rosalba C., Irene G., Eva Rico, and Yolanda R. Hang in there, girls. "Good luck!" Last, but not least, to say I leave F.H.S. period!!! Oh, remember, "83" is the best !!

I, Mindy, leave F.H.S. in my '58 rag with fond memories and a lot of "HARD" times!! I leave knowing I had ALL kinds of good times and plenty of laughs with a bunch of friends that are really special!! I leave my BIG little brother to keep raisin' all kinds of H — !! Try to "HANG" in there, and try to keep Katee out of trouble!! Well, daddy, looks like I made it, huh? Thanks. Bye!! P.S. Hey, Teresa . . . GSD!!!

I, Victor Serna, wish this page were a stage and I an actor, then I'd simply walk to the foolights and say, "We've made it!" That statement may be interpreted as, "We've made it — out of here," or "We've made it — into college, furthering our education." Thanks to all teachers, I've made it through high school without academic failure. To the "Schlub" members (Liza! Scum! Larry!) I leave my regards. "A body was found beaten to death with chicken drumsticks. Who could it have been? . . . It can't be! . . . Connie Drapers!!!" To the A-reaching (B&B) pals, Bad me and Bob, I leave my "Aweeka Vocabulary List" — gag me! Carlos, Miguel, Ralph, and Jose, keep that spirit for dancing! I leave my hugs and kisses to all the girls — vous estes tres jolie. I sentence my brothers, Jorge, Armando, and my sister, Leticia, to torture their brains. God Bless Y'All. 1970-1983. Au revoir, et a be intot.

I, Donna Smith, leave Fillmore High to all my relatives coming up. I especially leave my "cuz", Stacy, with a sixpac in my locker, my sis, Sue, to Nurse Janice and a big hug to my "Little redneck teddy bear", Dougie. Hang in there, Everybody!!!

I, Steven "WeeWee" Sosa, along with my fellow comrades, Ricky C.; and the other people, leave Fillmore High School for bigger and better things. I leave knowing that my image as "the brown version of Richie Cunningham" was tarnished but once, that one time, and what a big one it was (!), didn't put hair on my chest as I thought it would, but helped me to realize that being myself was the path the Lord had intended me to follow. And so, as I venture into the big, bad world, a word of thanks to the following people . . . to my coaches for developing the potential that the Lord has bestowed on all Lora Laners. To the Wilde's for helping me to cope with the hard times. To all my friends, especially Rick, for being a part of the dynamic duo of Rick-Steve and the other guys on the football team! (Rite on) May you all find success and happiness in life!! To Bernie for all those hot and (oops!) . . . for being the special and unique person that she is! Lastly, but certainly not least, to mom and pop for pushing and supporting me thru all these years of school, thanks! I love you all!! C-ya. P.S. Class of '83 and #12 rule

I, Minh-Tao, leave Fillmore High School looking forward to the future and knowing that I have built many good friendships and great memories that I'll cherish forever. I also leave with hopes that each day ahead will bring happiness, fulfillment and answers to the many questions life may bring. Special thanks to Mr. Emrich, Mr. Brothers, Garfield, Smithwick, and all the other teachers in FHS that have been so kind to me. Finally, I leave my cutie message "I.L.M.E. . . . nice . . . " To M. E. This year has been the best!!!

I, Javier Tarango, leave Fillmore High School with a lot of good memories. Especially in my Freshmen & Sophomore years when I had my homeboys, Chito, James, Porky to trip out with. I also leave my little brothers, Jose and Carlos, to suffer for four years just like I did. I want to thank Ms. Crockett for all of her help with my classes and when I needed some good advice. Well, I guess I'll see all of you later. Alrato!

I, Jenine Thomas, leave Fillmore High School with a smile on my face and lots of special memories to treasure. The past four years have been the best. Now that they're over, I wish I could start all over, I've made a lot of special friends and I hope we'll stay in touch. I want to thank T.M., R.L., S.R., T.C., A.A., and S.W. for always being there and listening to all my problems. Also thanks to L.S., good luck as a senior. Special thanks go to my buddie Terrie Mike for always standing by me; helping me through the rough times and sharing the good and special times. Good luck to everyone in the awesome class of "83". P.S. Thanks mom and dad for the support you gave the past four years.

I, Anna Toledo, leave F.H.S. with a lot of memories, good and bad. Good because I met my boyfriend Armando. I also hope to see my friends make it through 'cause I made it through. But, I'm glad to leave after so many years of learning this and that. Like I said, I'm glad because my best friend leaves with me, Martina Moreno. I also leave sad because I leave my friends, Las Locas P.A., M.B., E.M., A.M., E.C., M.R. But most of all I leave my sister, Sylvia and my little brother, Lupe. I hope they make it through like I did.

I, (Pshyca) Cindy Torres, leave Fillmore High happy knowing I won't be back next year. I leave knowing I've learned from past mistakes. With good and bad memories of the past. I leave my red and black mark a lot and not-so-clean bathroom walls to the next graffiti writer. I wish my brother, Tom, good luck in the class of '86 and my crazy little sister, Patty, in the class of '90 (there will probably be computer teachers by then!) Thanks, mom and dad, for putting up with me all these years, but it was worth it. I leave with some close homegirls like Maria, Martha (?) Susie, Bertha, Lucie, Nancy and Nena. I wish you were here to graduate with us. Bye Rivas Angels (Nurse, Helen, Mrs. Alba the newcomer) Mr. Rivas, good luck with Jr. Long live the locas of '83. Last, but not least, I leave to become Mrs. A — ?

I, Mike Van, leave Fillmore High knowing that this time next year I will be kicking back drinking a beer while all of the unfortunate ones will still be there trying to figure out Mr. Garfield. And knowing that the Class of '83 will always be #1. Later days Fillmore High. Now the fun begins.

I, Consuelo Vasquez, leave Fillmore High School with the awesome class of '83!! I know I will go on to bigger and better things. I leave my famous signatures on tables to be read by future graffitiers. I leave with many good and bad memories from this school. I also leave T.M. to Tanya T.; M.H. to Yoya V.; A.S. to Rita R.; and M.N. to Nena G. I leave with my friends, the last of the "Highschool Locas". I would like to thank the people that helped me most, Horrible, Cucooy, Froggy, Gumby, Chanate, and Juanito. They had to put up with me many times, but always gave me confidence. There are still two more generations of "Vasquez" to come through this school! Look out!! Fillmore High School!! Here they come!! Goodbye Funky!

I Maria Vasquez leave F.H.S. with a big smile and a diploma in my hands (I'm hoping). I also leave my camala to suffer for two more years, hang on there you'll make it. My camal Manuel Oscar and Roy who still have quite a while to go, before they graduate. Last but not least I want to say thanks to Ms. Crockett for helping me all the times I was into trouble. Well Negra I didn't forget about you, hang on homes, because I'm out of school and we can party more than ever.

I Nancy (Bean) Windsor leave F.H.S. forever! I had alot of fun, but it's time for bigger and better things. Thanks to Mr. Emrich, Mr. Torres and all my other teachers for letting me get out of this place. And a special thanks to Mr. John Randolph Dukes II. You're the greatest. Good luck T.F., J.L., and J.D. I'll be seeing ya.

I, Sheila Withers (Lopez), leave knowing there's never been a closer class than '83. We've stuck together thru thick and thin. I will always remember all the crazy times and wild parties I have spent with my friends. "Kool-aid" I'd like to thank EK and the rest of the gang for everything. I also leave my Big lil' brother to make the best of it and "get involved". Best of all, I leave knowing I have the Lord to guide my way thru life. Good luck '83. We'll always be #1!! God bless and GSD!!

Me, Lolita Wyche, leaves Fillmore with Mickey and with a smile on my face for all the best memories that will be left behind, but inside a sad feeling hoping that us sis's will be pals forever. Thanx to all you guys for being there when I needed you. Dee, Beck, Feath, Q. Hugs for all my friends who put up with my laughing at all the dumb things, and Dee for all the crazy, blind, last minute dates- hee. I hope that in the future the F.H.S. puts a little more umph . . . into the tennis team even though all the Wyches will be gone. Mr. E . . . you're the nicest teach! Hold to a true friend with both hands and Tracy . . . here I come!!

I Martha Zavda, gladly leave Fillmore High!! Loaded with memories. I'd like to thank my mom and dad for believing in me. (I Love You) I especially want to thank my second mom . . . I Steve Zinskey, leave Fillmore High with a lot of good memories, but no bad memories because the Physco Squad never got caught for half the things that we terrorized in this school. I thank all my athletic coaches and teachers for their effort in getting me ready for the years ahead, and to my friends Tony Deramo, Chuck Boston who think one day they'll beat my KISS A — "68" Chevelle through the quarter mile. And to my babe Elva, thanks for the memories.

This year's Journalism class, with only ten people, showed their spirit in each issue of the **News Flashes.** The literary-art magazine was another project co-ordinated through the Journalism class.

We had many goals, including a commitment to professionalism. We take pride in the improvement made in the **News Flash·** through the year and hope you enjoyed the photos and stories which covered a wider interest area this year.

A continuing goal for next year is to show spirit and pride in bringing news, features, and meaningful photographs to our readers.

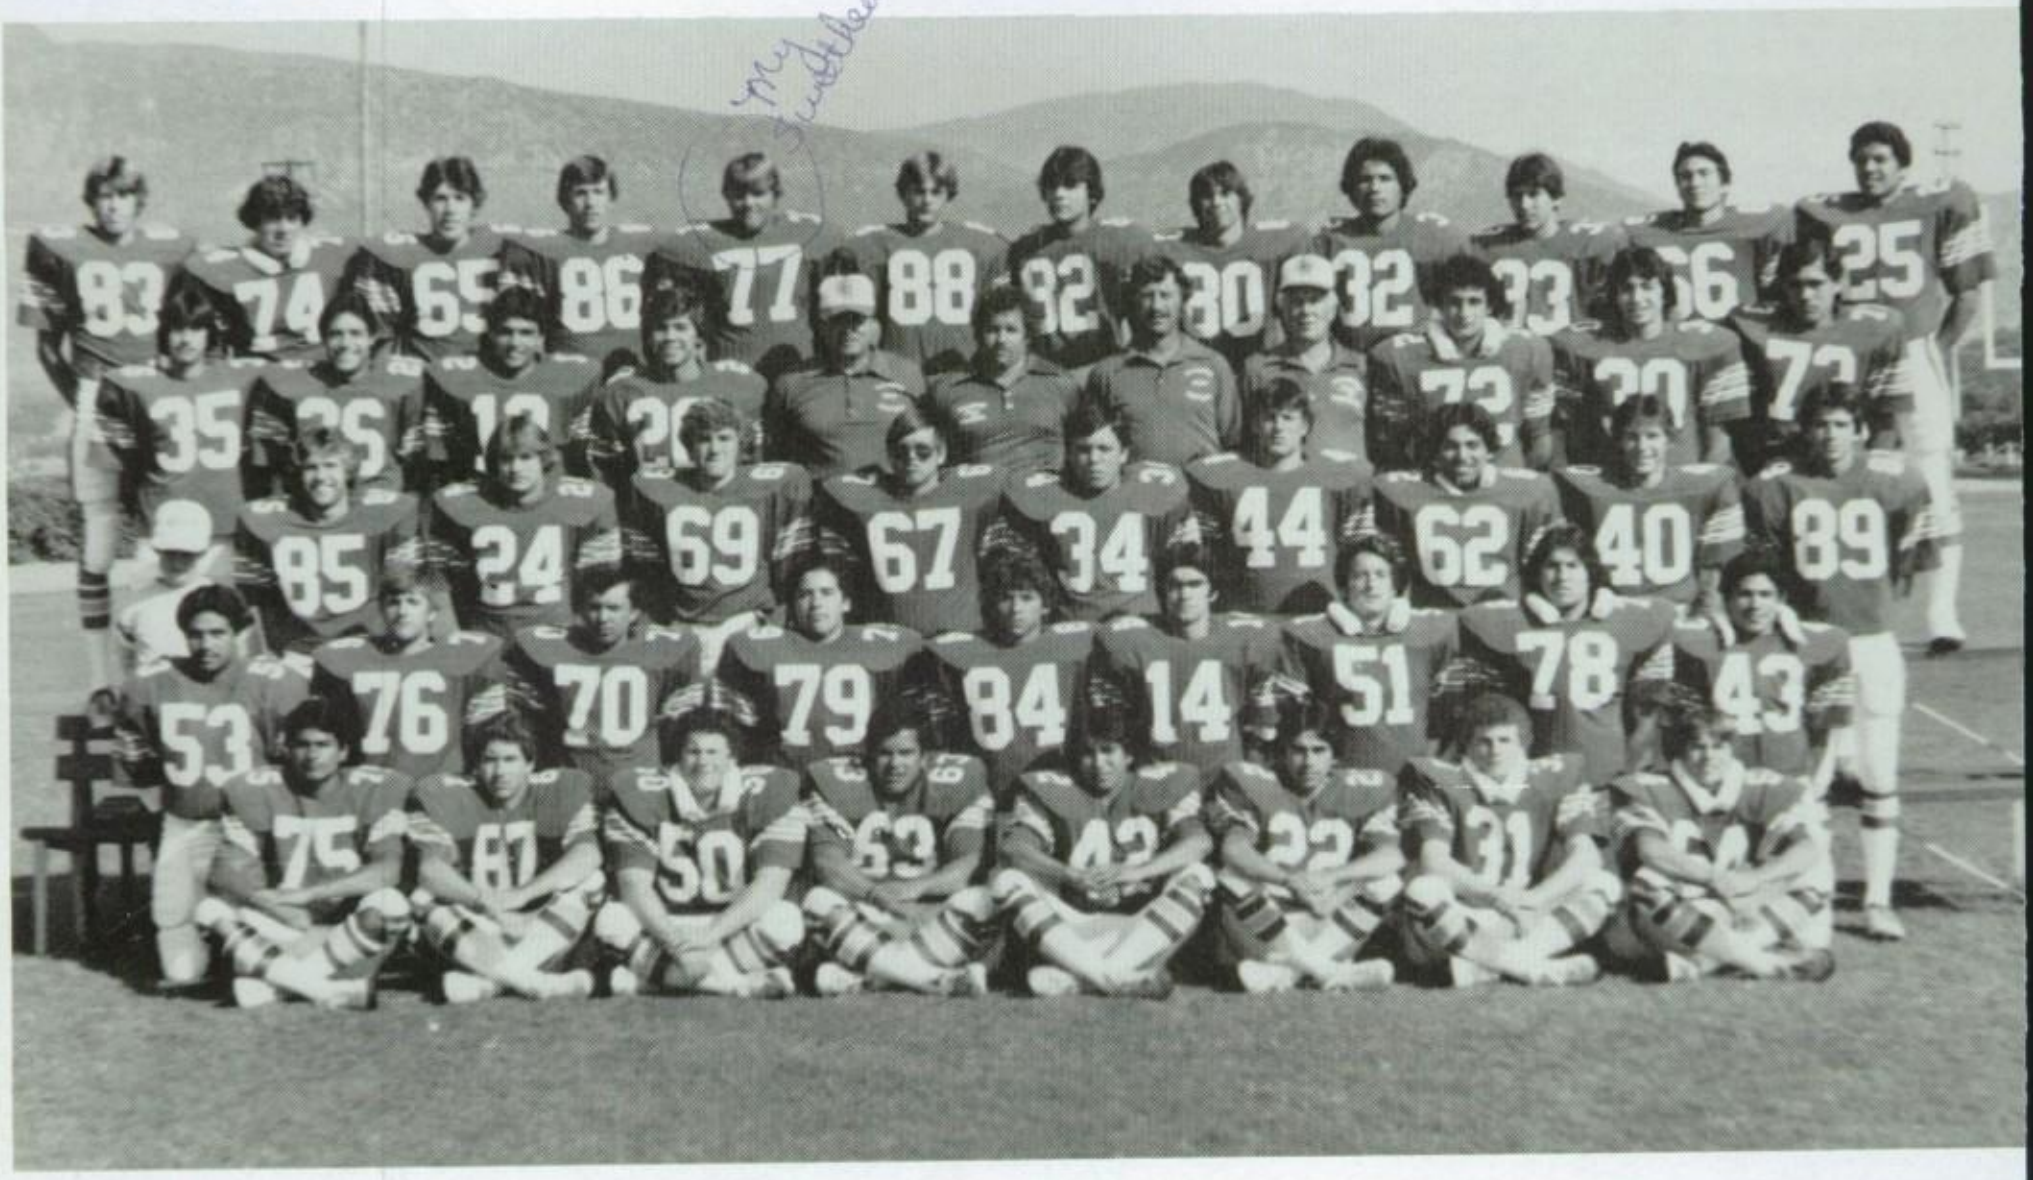
Varsity Football Fighting Til The End



Three-year starters, Jeff Leon and Steve Horn, led an inexperienced Varsity Football Team into the 1982 season. It was necassary for several Juniors to grow and mature to replace 1981 graduates if the Flashes were to be competitive.

Seniors: Jeff Leon, Steve Horn, and Rick Cadena, returned from the 1981 squad to spearhead a tough defense. Scott Ramsey "Nose", Mario Ibarra "Mike", and Mike Alba "DB", filled in nicely on defense to give the Flashes one of their best defensive units in ten years.

Offense was led by returning senior letterman Steve Sosa, "QB", Jeff Leon, "OT", Steve Zinskey, center, and Alfred Ruiz at wide receiver.

The Flashes lost four heartbreak games by less than fifteen total points. Juniors: Darren Beaty, Manuel Nunez, Bobby Tovar, Eddie Wyand, Doug Leagan, Freddie Vest, and Sophomores: Greg Baldwin and Jesse Camarillo, complimented our Seniors.

The season ended on an unusual note, Moorpark forfeited the last game of the season in the third quarter of a 35-0 ballgame because they didn't have enough healthy players to continue the game. The Flashes ended their season with a 4-5-1 record.

This year's most valuable player was Jeff Leon with the outstanding defense award going to Mario Ibarra. Co-captains for the Flashes were named as Steve Sosa and Steve Zinskey.

The All-Tri-Valley League awards were won by Darren Beaty in offense, Jeff Leon and Mike Alba in defense, and punting by Paul Kiely. Honorable mention was given to Scott Ramsey and Manuel Nunez for work done on the defensive line.

Other outstanding points of the season were that Paul Kiely set a new punt record of 65 yards, and Steve Sosa and Steve Hope connected on an 85 yard pass reception to tie the school record.

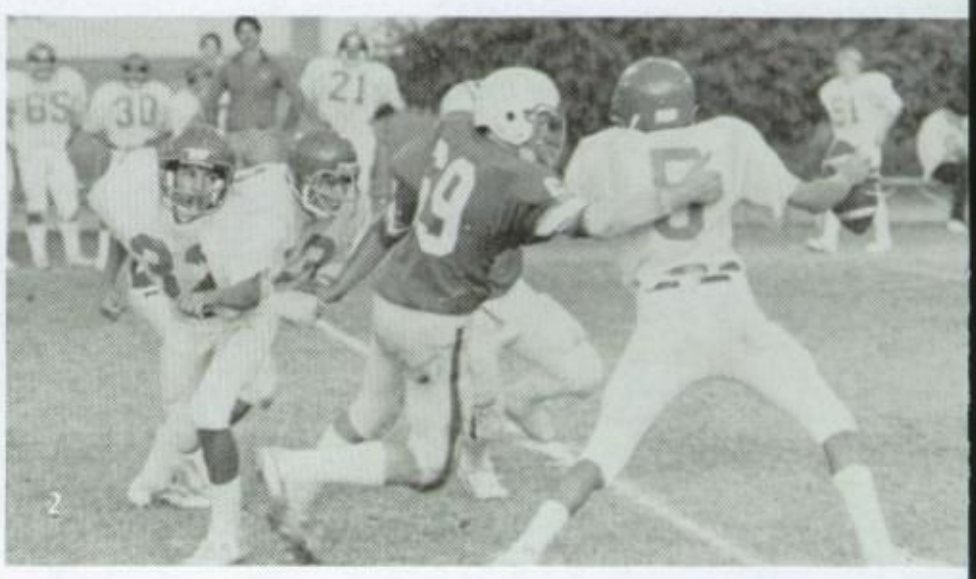
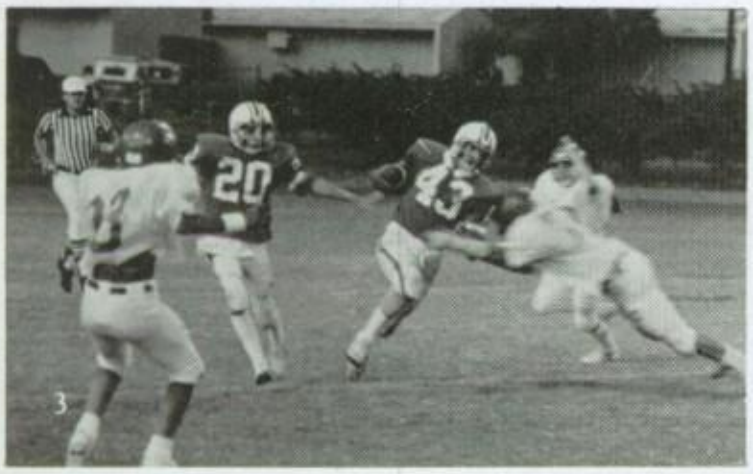
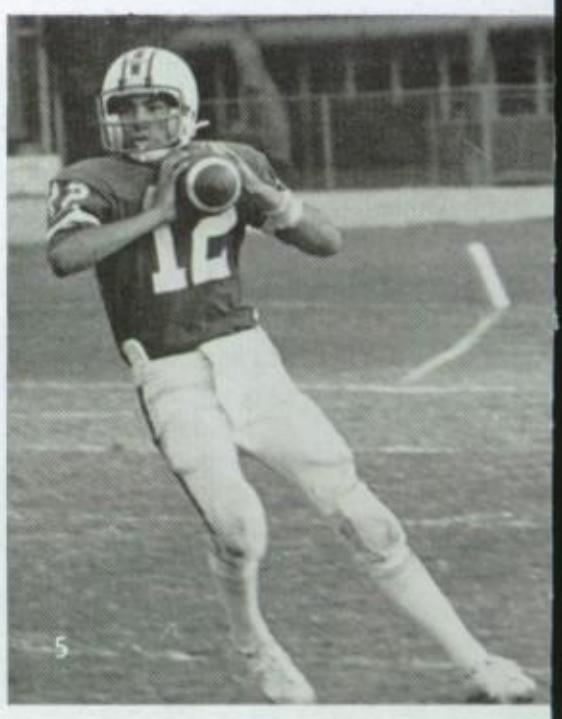
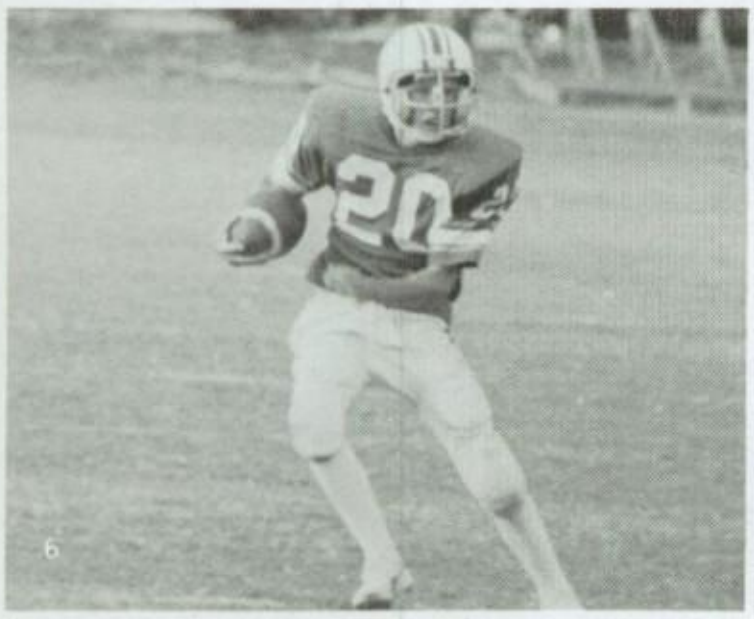
This years J.V. Football team was led by Sophmore standouts John Grove, Paul Bennett, Enrique Gallo, Stacy Gunter, David Preciado, Kevin Charles and Ray Avila. The Freshman who contributed this year were Bill Vassaur, Larry Tovar, Doug Burt, and Travis Sheets. We were very inexperienced at the beginning of the season but came on strong towards the end with two fine wins over Bishop Diego and Moorpark. The outstanding qualities of this year's team were their great attitude and desire to learn. We, as a coaching staff, were very proud of all the players and the way they never gave xp.









1. Stacy Gunter looks for a touchdown. 2. Travis Sheets breaks through to his man. 3. Preciado takes a hit. 4. Gallo shows he's big, mean, and "FAST". 5. John Grove scans the field for a receiver. 6. Stacy puts the moves on air.

This was the year of the indomitable spirit. We had a poor season in terms of wins and losses, but we never gave up. We had good attendance at practices, good attitude, good sportsmanship, and continued effort and hard work throughout the season right through the final week.

We were a young team in terms of experience, and we took our lumps this year. Next year, with continued effort and progress, we hope to get the validation we need.

Players who were recognized by their teammates for outstanding effort were as follows: Beth Palmer-most dedicated, Rosemary Lannen-Team captain, Cathy Dorward-most valuable player, Lori Steinbrink-most consistent.

JV's Get It Together

The 1982-83 JV Volleyball team represented Fillmore High with practically a freshman team. However, the team was very competitive, led by captain Sonja Frias, voted the most valuable player, Kristie Adams, voted the Best Team Player, and Robin Roberts, voted the Most Improved Player. The JV's season highlight was a victory over a very formidable rival in St. Bonaventure.

A thanks to Scott Inglis who helped me through my first year of coaching with his experience and technique in team volleyball.

The Fillmore Varsity Cross Country Team had another banner season this year. The Flashes compiled an 8-1 over-all record and were undefeated in League. They captured the Tri-Valley League Championship for the second straight year. The Flashes were led by Tri-Valley Champion, Junior Rudy Mora, a crown not previously worn by many Fillmore runners. Other high points in the season were winning the Ventura Cross Country Championship (small school division) for the fourth year in a row and placing fourth in the C.I.F. Finals. Kudos to a fine team.

These two young athletes provide a strong base on which for us to build for our future. Though we didn't fare as well in the bigger invitationals, we more than held our own when it came to a one-on-one situation.

Delia Gallegos was the lone Fillmore Girl's Cross Country participant. She did very well throughout the year, placing no worse than 3rd in any duel meet. Delia finished among the top 10 runners in League competition. Her future running career looks promising.

Our goals at the beginning of the season included winning our league and going to the CIF playoffs. After losing the first two league games, we rebounded with style by winning the remaining eight league games to clinch a share of the Championship! Our accomplishments were the results of dedication, teamwork, and desire. This spirit carried us to victory in the first round CIF game. I am very pleased with the hard work and determination shown by all members of the 1982-83 Flashes Basketball Squad.

Girls' Varsity Basketball

The 1982-83 Girls' Varsity Basketball Season was satisfying in many ways. The Lady Flashes posted a 12-8 season record, and finished at 6-6 in the rough Tri-Valley League.

The success of this year's team can be attributed to team play. Though lacking great size or a prolific scorer, the Flashes compensated for this time and again with their hustle and with their unselfish play. Every girl on the squad had something to contribute. It truly was a class team, comprised of class individuals.

Girls' Junior Varsity Basketball

The 1982-83 Basketball season was a very interesting and valuable one for the Fillmore Girls' J.V. team. Having dedicated themselves to a season of progress and improvem ent, they achieved these goals. The team felt that they had to improve both individually and as a group to make the season a success. They were able to do this in each game as the season progressed. This gradual improvement culminated in the defeat of previously unbeaten La Reina H.S. near the season' end.

The J.V.'s compiled a log of 4 wins and 11 losses. In league they were 3-7. All of the players look forward to continued improvement and success next year.

Although the 1982-83 Varsity Soccer Team ended the season with 4 wins-6 losses in league play, Coach Robert Martinez was extremely pleased with his young team. After filling 8 vacated positions due to graduation, the young team pulled together to remain the traditional formidable power in the Tri-Valley. Three close games (two 2-1 losses and a 1-0 loss) could have put the Flashes into post season CIF championship play. Considerable experience was gained by a very young, enthusiastic team. The Flashes are looking forward to another championship for next year to compliment 3 past championship in only 5 years as a varsity sport.

Administration: New Directions

This year Fillmore High School has a new superintendent, Dr. Neil Schmidt. Having 20 years of experience behind him, Dr. Schmidt feels that students should look at their years at F.H.S. as the most enjoyable in life and that they will go by very quickly and we should use these years to our advantage.

Having a Phd in administration and curriculum and also being a superintendent at Santa Cruiz, Dr. Schmidt senses that Fillmore is a reseptive, welcome and warm community. We all wish Dr. Schmidt good luck in being the new superintendent of Fillmore.

Let's all be proud!

We are a good school and together we can be the best. I encourage all members of the high school community to display our pride in all that we do. The prime ingredient of a school is its people. Fillmore High School is made up of quality people. Our students are positive and friendly; the faculty and staff are dedicated to a quality education for all students; and we receive support from our district administration, school board, community and parents. My administration pledges to do its best for each and every one of our students.

TOGETHER WE CAN!

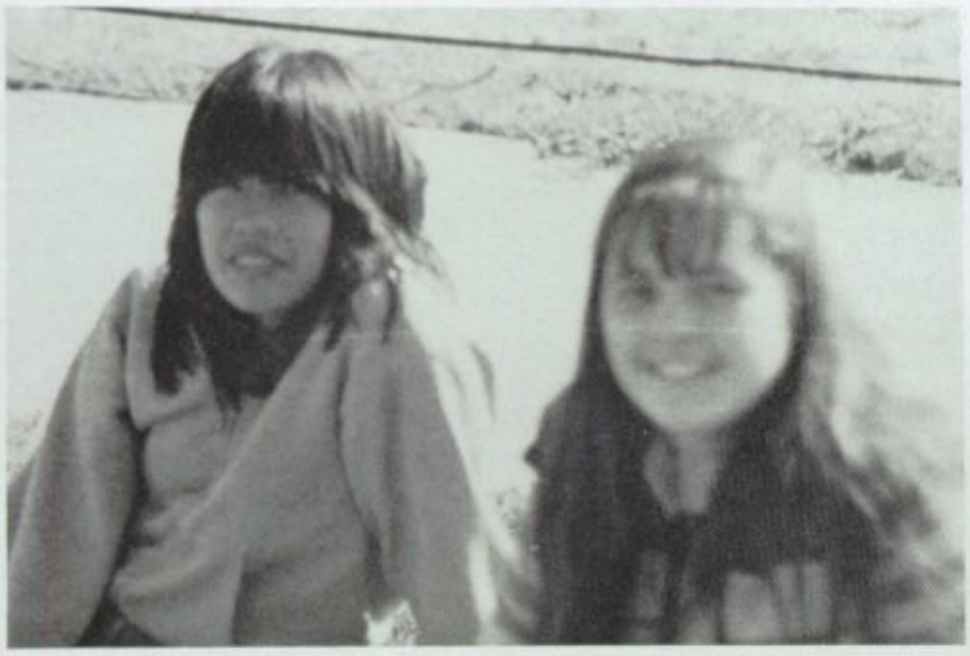
Everything's Cool



Junior High Student Council- Doing The Job

As ASB President of the Jr. High, I'd like to say that I think the class of "87" is a very outstanding class. We've got brains, great athletes, and best of all, we know how to have fun at whatever we do. Through these two years of Jr. High, we've matured greatly and we've learned how to get along with people well. This class has a lot going for it. The class of "87" will be one of the best classes to pass through Jr. High, because, We're great, We're proud, We're **bad,** We're the class of "87"!

Steve Ramirez
ASB President

I, Kimberly Lorraine Munoz, wish to thank the class of "87" - "88" for their support. They were great in striving for what they wanted. The class of "87" has become very close. We'll work our way through the years. I wish the class of "88" the best of luck. But "87" will go on to rule one day ...

Thank you,
8th Grade President
Kimberly Munoz

A.S.B. Cabinet L-R: Michele Farrar, Nannette Golson, Delfina Jimenez, Gloria Castro.

I, Jason Ramirez, having served as seventh grade class president, feel that this year has been a very growing experience for the class of "88". We've begun the transition between primary education and secondary education. I strongly feel that the class of "88" will contribute highly both scholastically and athletically for the years to come.

Thank you,
Jason R. Ramirez

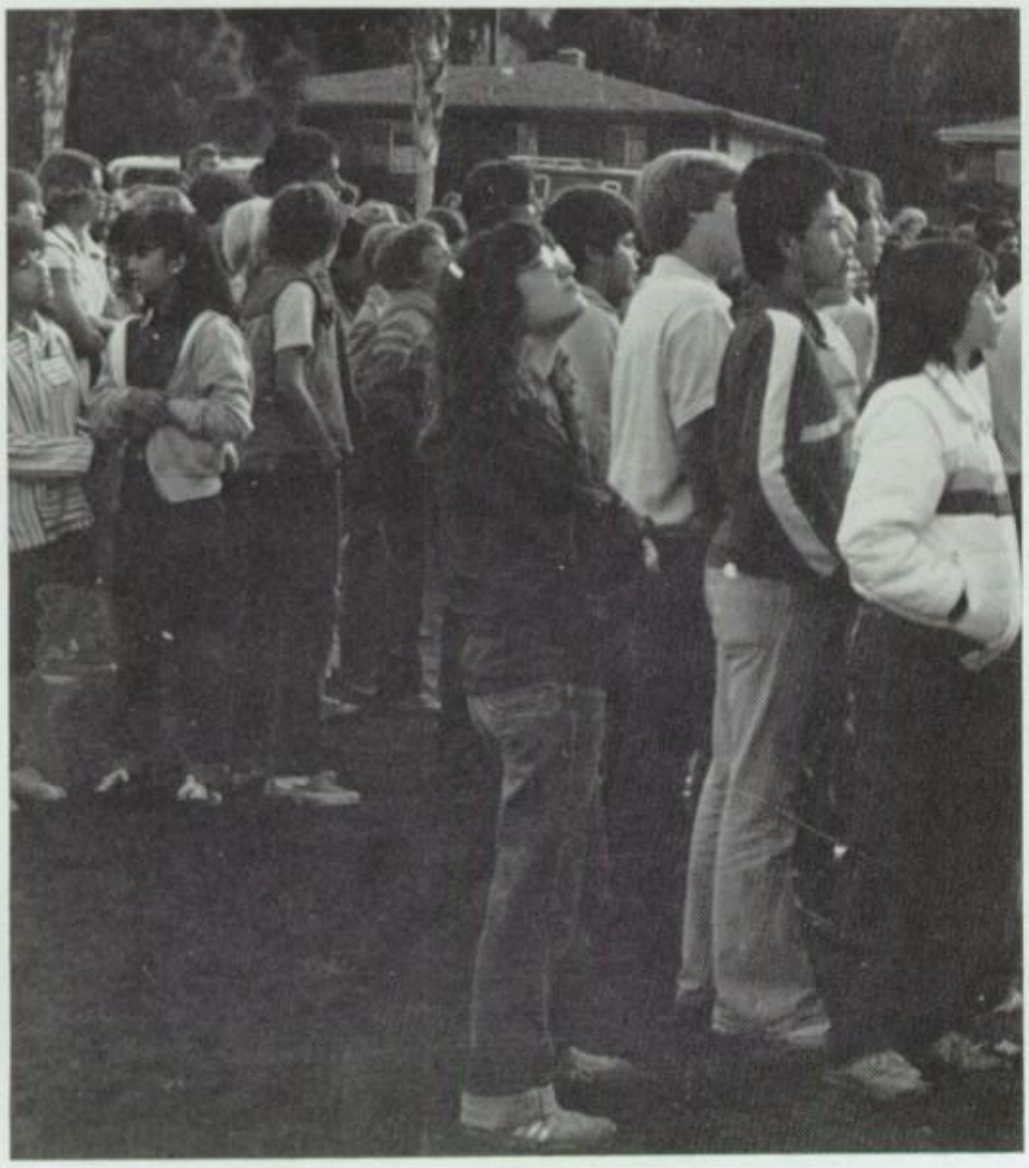
Overnight Disaster, Recovery From The Ashes

Tragedy struck on Nov 14th, 1982 when arsonists burned down the Junior High office, destroying many of the school's records and causing about 200,000 dollars in damage. Yet the goodness of people outshone the tragedy as the community joined together to quickly recover. Pictured are photos of the charred building and the new standing office.

Balloon Assembly: Spirits Rise High



One of the Junior High's biggest activities of the year was their hot air balloon assembly. Students and faculty all gathered on the field and watched as the giant, colorful balloon was filled and prepared for the flight. The height of excitement came when the crowd looked on as a few fortunate members were allowed to have the experience of riding high in the balloon.

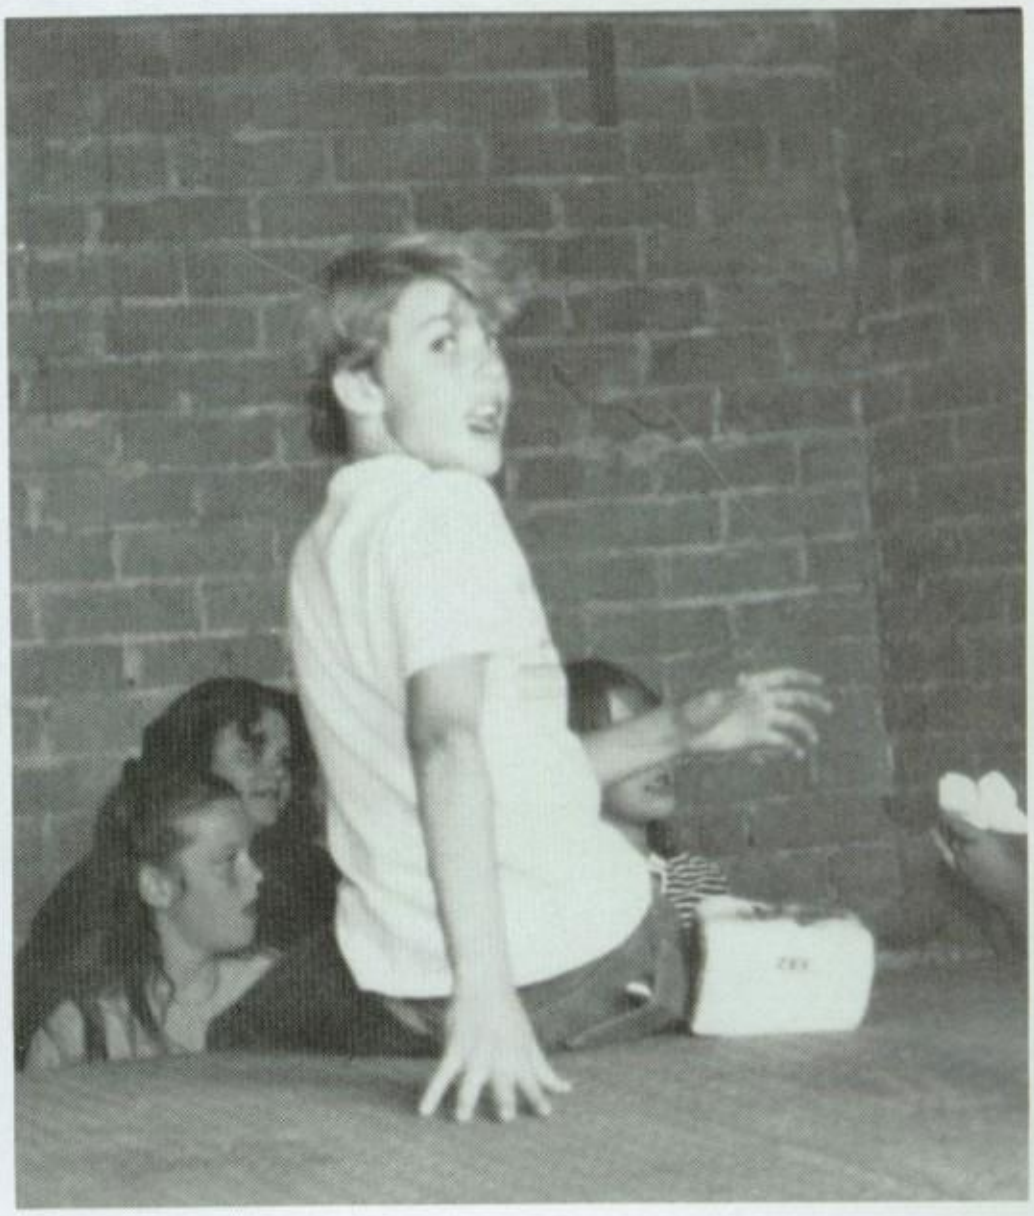
Homecoming-A Fantastic First



I feel that the Fillmore Junior High Homecoming float was a success. This was the first year the Junior High had ever done anything like this. The majority of the students helped out. I'd like to especially thank the many people who worked so very hard. At first, there was a lot of controversy over this, but it was soon resolved. We weren't competing against the other floats, but we were in the parade to make it more interesting. So we thank Fillmore High School for letting us participate in a great event.

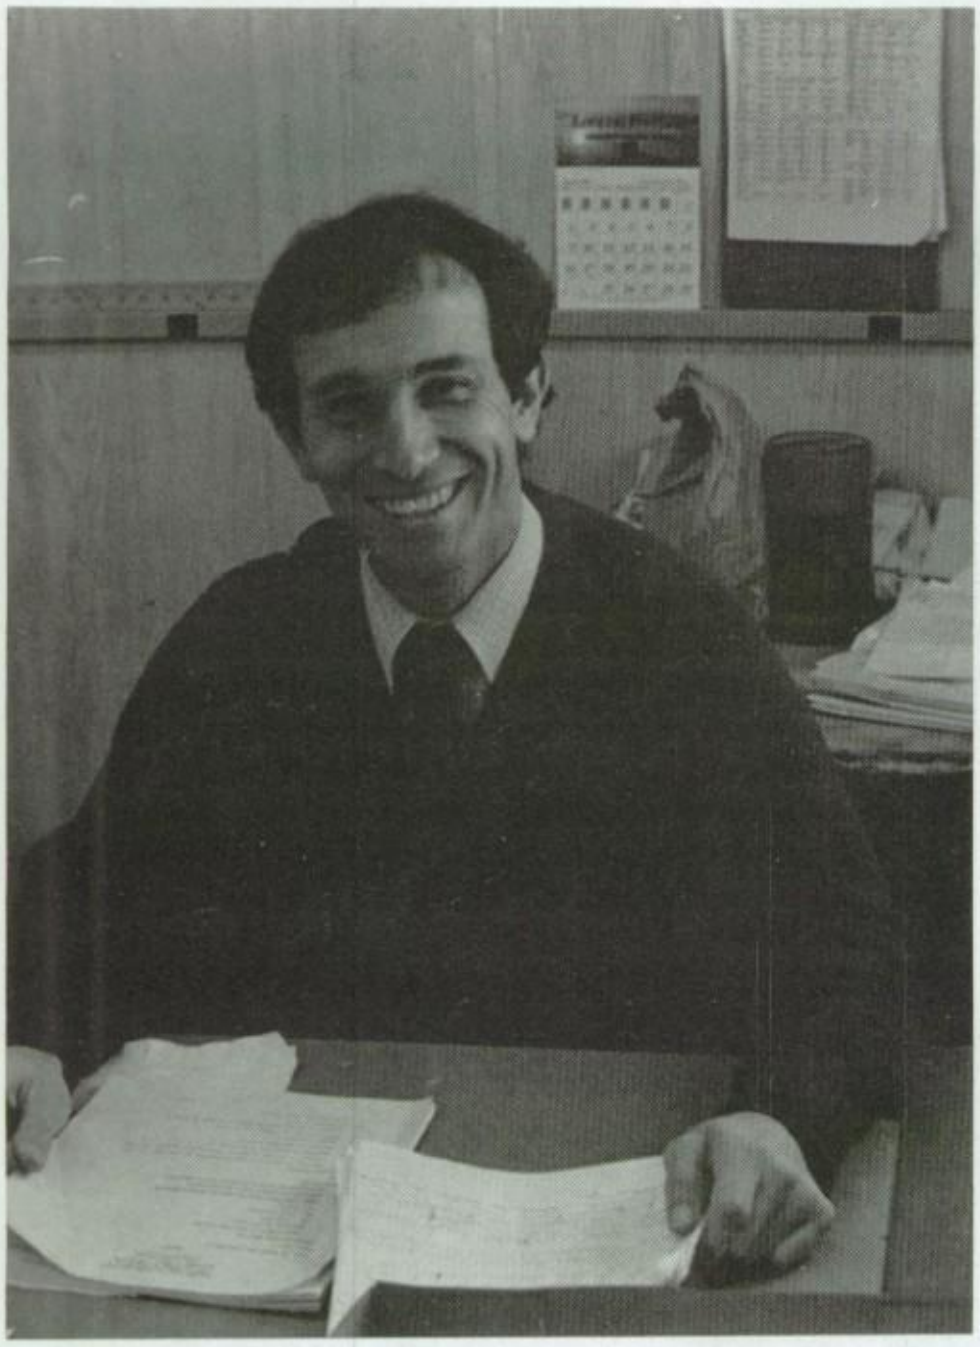
and too cute to care.



This year has been a year of change. Our staff and students are doing a super job with a new discipline process, increased student activities, a new system for lunch time, our own snack bar, and revision of our curriculum. We are excited and optimistic that we are building a great school with great students and staff. Good luck to our eighth graders and thank you the fine people at high school, both students and staff, who have been so cooperative in helping us make this the greatest year ever.

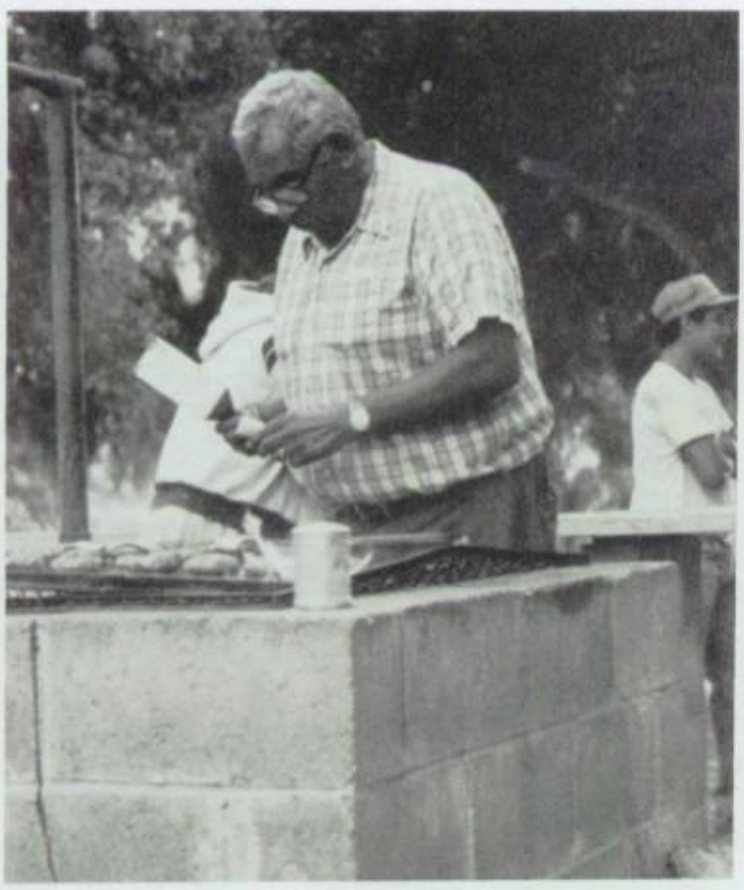
Familiar Faces Retire From View

Claire "Red" Herrill graduated from Kearney High School in San Diego in 1943. After graduation he joined the Navy, exiting in 1947. From 1947-1951 he attended San Diego State College and lettered in Football, Boxing, Cross-Country, and Basketball. Following graduation from Claremont Graduate School, he taught one year in sixth grade in San Diego, then four years at 29 Palms High School, where he was a P.E. teacher and coach of the football and basketball teams.

In 1957 this familiar face moved to Fillmore and began his career here. He has taught P.E., Typing, World History, Science, and coached just about every team possible at the school.

At 57 he is retiring to spend some time building and gardening. His favorite activities of hang-gliding, fishing, and skiing should fill whatever spare time he has. Who knows, he might even be seen engaging in an earlier hobby: panning for gold!

Good Luck, "Red"! Thank you!



Delfino Mendez has spent all but six years of his life in Fillmore; he was born and raised here. In 1942 his high school life was cut short to join the Navy. During his six year stint in the Navy, Delfino cruised the South Pacific, stopping at such places as Hawaii and Australia. He returned to Fillmore in 1948 to finish high school and begin working for the school district. He retires having completed 34 years of service to the school and the students. He feels that the students "treated me well. The only regret is that sooner or later we all have to retire. It's been a wonderful experience to see all these kids come and go ..."

Delfino plans to travel, to two places: to Mexico to see his relatives, and to Hawaii, to relax. "You work all these years, never stopping, you gotta work; now I plan to take it easy."

Good Luck, Delfino! Thank you!

Manuel Pillado has been a familiar face in Ventura County since 1948, working as a professional barber for 22 years in Ventura, Saticoy, Oxnard, and Piru. In 1968 he stopped cutting hair and moved to Fillmore, where he began work in landscaping for the county. In 1975 Manuel came to work for the school district as a groundsman. Since then he has been both groundsman and custodian, and finishes this year in both capacities. Manuel has seen so many students enter the high school, then graduate; he has "made a lot of friends with the students." He has "no regrets, I've enjoyed every bit of it."

In the future, Manuel plans to work as a "stand-by custodian". When he is not required at the district, he says he is "gonna do a lot of fishing, in lakes mostly, and play golf."

Good Luck, Manuel! Thank you!

"BOOTY"

In memory of Booty,
We take the time to say
The things he loved and cared for
Throughout his living days.

Booty's song an old time favorite.
"For Your Love", what memories,
Booty danced across the floor,
That was his wedding waltz you see.

Blackand red were Booty's colors
Red for flowers in the spring
Sleak and black and kind of classy
His Monte Carlo, was his taxi.

When it came to homemade cooking
Mom's tortillas were the best.
But when craving for the munchies,
Pizza was his second best.

Booty will always be a sportsman.
L.A. Raiders, Yankee's too.
But his favorite team of all
Were the "Knights, he played with too.

Bootys hobbies they were endless
Running, hiking, coaching too.
Booty always gave his best.
Loving every moment too.

Booty will always be our leader,
He's taught us so many things,
Especially to love,
to share our sorrows and our dreams.

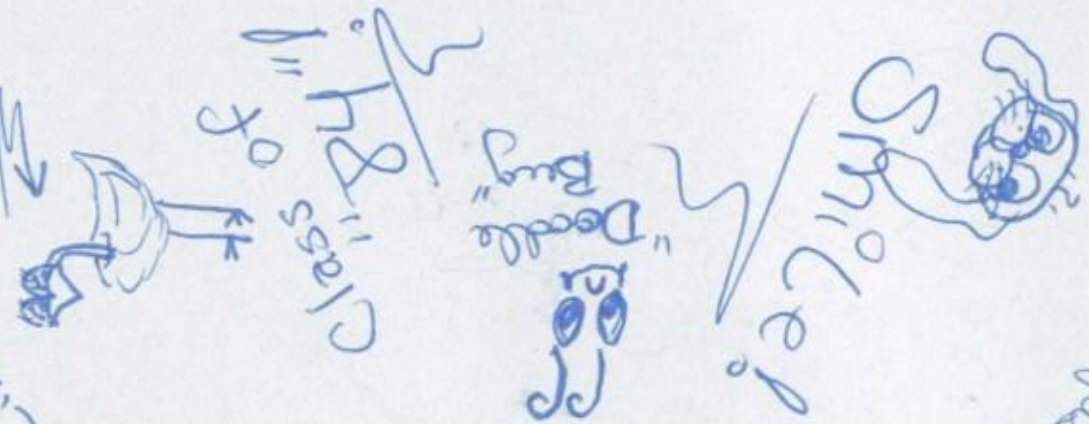
Booty will always be a model,
of what a man should be,
Loving his family dearly,
showing his love so clearly.

So many things that Booty loved
we mentioned very few,
But all his love and works,
he gave God the glory too.

We will not say that Booty's gone,
For he's at home to stay,
Living with "God our Father"
Booty's Smile gets stronger everyday.

Maxie

Well Terry, I always did have to be Original! Thanks for being a friend. We have had a lot of fun. (Raised a lot of hell!) Ya had some of our funner times without you!) And I know God Bless you in many ways! (It's gonna be dull here without you!) And I will be missing about it. This isn't the end, it's just the beginning. Friends you have made will remember you in many ways. If I don't all go to Pine with a shot-gun looking for you. "Mommy"! (Or is it "Super Chicken?") I gonna miss you. I will vouch for that!) Remember: Four years ago our forefathers could have thought you a fool for turning this book around and



Dear Tootie, Happened to miss you guys. Hope the future ends up the way you want it. Just think, we've been friends for 5 years. The summer of 5 Cee-Lo's. Dirty Dancing. (Dat's my girl) Keep your head up kiddo's! Take care of yourself and please don't forget us. Stay in touch. Love ya, Doodle Bug

Dear Tootie, Well I'll be damned. Can't believe it's been 5 years since we were fighting over Cee-Lo's. Hope you have a good friend and a good future. Stay in touch. Love ya, Doodle Bug

Terry-

I hope you have a great summer. Good luck in the future in whatever you plan to do. I hope all you've dreams come true. You better keep in touch. See ya at the fair. Call me sometime.
